## International General Certificate

- IGC 2
  - Duration     6 Days
  - Exam         2.5 Hours
  
- Syllabus
  1. Workplace hazards and risk control
  2. Transport hazards and risk controls
  3. Musculoskeletal hazards and risk controls
  4. Work equipment hazards and risk controls
  5. Electrical Safety
  6. Fire Safety
  7. Chemical & Biological health hazards & risk control
  8. Physical and psychological health hazards and risk control

# NEBOSH IGC

## **International General Certificate**

- IGC 3
  - Practical Assessment done at work
- Report should be submitted within 2 weeks from the date of written exam

# NEBOSH IGC

## Scheduled Dates

	Start Date	Exam
<b>2013</b>	17 <sup>th</sup> November, Sunday	4 <sup>th</sup> December, Wednesday
<b>2014</b>	19 <sup>th</sup> January, Sunday	6 <sup>th</sup> February, Thursday
	18 <sup>th</sup> May, Sunday	4 <sup>th</sup> June, Wednesday
	16 <sup>th</sup> November, Sunday	3 <sup>rd</sup> December, Wednesday

# NEBOSH ICC & Fire and Risk

## **International General Construction Certificate**

- Exam 2.5 Hours

**AND**

## **International Fire & Risk Certificate**

- Exam 2.5 Hours
- Both Similar to IGC 2 (2.5 Hours)
- Both require completion of IGC1

# NEBOSH Technical Oil & Gas

- **Duration**      **5 – 6 Days**

## **Syllabus**

- Health, Safety and Environmental Management in Context - Learning from Incidents
- Hazards Inherent in Oil and Gas
- Hydrocarbon Process Safety
- Fire Protection and Emergency
- Logistics and Transport Operations

# NEBOSH Technical Oil & Gas

## Scheduled Dates

	Start Date	Exam
<b>2013</b>	10 <sup>th</sup> November, Sunday	21 <sup>st</sup> November, Thursday
<b>2014</b>	23 <sup>rd</sup> February, Sunday 17 <sup>th</sup> August, Sunday	5 <sup>th</sup> March, Wednesday 3 <sup>rd</sup> September, Wednesday

# Training

## **IOSH accredited courses**

- IOSH Working Safely (1 day)
  - Entry Level                      Basic English (Arabic translation can be provided)
- IOSH Managing Safely (4 days)
  - Entry Level                      Intermediate English
  - Short Multiple Answer test

# Other Courses

## Workplace Safety

- First Aid
- Use of PPE
- Mechanical and electrical safety
- Noise and vibration
- Manual handling

# Other Courses

All training is conducted in English and for the IOSH/Nebosh courses it is necessary for delegates to have a knowledge of English up to IELTS 6.

Eventually most courses will be available in Arabic and we have already started with the most popular course which is Nebosh Intl. Gen. Cert.

# Material Upon Request

- Full technical course information such as course contents / syllabus, participation requirements, language, duration, venues, exams, certification etc. are available upon request for all the mentioned courses

# Future planned training courses

- Once Alziada is firmly established it is intended to proceed to Phase 2 which will comprise
- Setting up training grounds complete with all necessary facilities to run courses such as
- OPITO accredited IMIST, BOSIET, FOET, H2S
- Fire Fighting and Emergency Response to IFE (UK) or NFPA (US) standards
- And other courses such as Defensive Driving, Forklift Operator, Slinger/Banksman, Crane Operator, Oil Spill Control, Confined space rescue, Rescue from heights etc.

# Technical Personnel Services

# Technical Personnel Services

- Supply of technical personnel for short-medium-long term contracts mainly for Oil and Gas Sector
- OPS Associated companies can draw upon a data base of over 600,000 professionals, specialists, technicians and skilled workers
- Full service from recruitment
  - > selection > relocation > travel arrangements > visas > accommodation > medical insurance > full payroll services > rotation logistics and back-up

# Consultancy Services

# Consultancy Services

- With OPS's vast database of professionals and subject matter specialists, Alziada can provide fully qualified and experienced consultants in sectors such as
  - Plant Safety
  - Industrial Safety
  - Refinery Safety
  - Engineering Assistance
  - Occupational Health & Safety
  - Fire Prevention and Protection
  - Environmental Protection
  - Quality Management Systems

# Thank You

- Thank you for joining us on this memorable day
  - We very much appreciate your support in making our training centre a success
  - It's success is obviously beneficial to us but also to your companies since it guarantees local availability of accredited training facilities set to top international standards

Please join us for some light refreshments
